Make your own story dice

Materials list

- Story dice template
- Paper
- Crayons
- Scissors
- Tape

Make it together

1. **Draw six ideas**

   Fill the squares with a character, place, animal, object and two surprises.

2. **Make the cube**

   With a grown-up’s help, cut the outer outline. Keep the squares joined, fold the dashed lines and tape the edges.

3. **Roll a story**

   Take turns rolling and adding a sentence using the picture on top. Draw your favorite moment on another sheet of paper.

A flat shape that folds into a solid is called a net. This one has six faces.

Save the drawing and your family’s story in Little Binder.
